Scoring Inquiry:

Perhaps the race committee has already been contacted by another party in this regard but if not then please be advised that Shirley Gilmore did not compete in ilca 6 race 9 last Saturday. Boat number 216238 was used in her place by An Other sailor whom I understand is not a registered competitor in the 2025 DBSC dingy series. Please adjust the overall race results to take is in to account. Thank you.

Witnesses:

Hugh Cahill, Marc coatley, Brendan Hughes Alison Piggot

Response:

Corrected Score: 5

Thanks Michael for your email.

I will contact Ms Gilmore and get her to confirm before I re score the race.
