Scoring Inquiry:

Dear Race Committee,

We are Herby submitting our official scoring review for race #2. The yacht Coyote - IMX 45 has been scored to finish between us and Arkas as follows:

Arkas Elapsed time: 02:57:47

Coyote elapsed time: 02:58:18

Ivana & Aleks elapsed time: 03:01:29

We unequivocally state that "Coyote" IMX45 was not in between the fleet with whom we have competed today consistent of TP52; Musica, Vesper, Arkas and also Duaget and Carbonita.

This boat has not even been in a visual contact let alone be in our midst.

The only way for this to happen is either if Coyote has done just one round on the course or sailed the course of Group 2.

We are adamant that "Coyote" has not sailed the correct course and they are incorrectly scored diminishing our result! The scoring needs to be rectified!

Ivana & Aleks - Blue Carbon

Response:

The race committee will call the boat COYOTE for a hearing to obtain clarifications on the matter.
