**Scoring Inquiry:**

We believe ITA 8594 Cross the line behind ITA 8557, both boat were overlap in parallel with the inside boat to the pin been ITA 8557 as the pin end was very favorite ITA8557 should cross ahead ITA 8594. So we ask to RC review the notes from the finish. CRO 8540 was just half boat behind and saw the opposite of what is scored

**Witnesses:**

CRO 8540
