Scoring Inquiry:

After the first race I was the pathfinder for the second race so was 10th not 11th. Could you take a look and correct the results accordingly. Thank you, Great course and race management today. Thank you

Response:

Hi Gavin,

The boat that finished 10th, and has been scored 10th, refused to be Pathfinder so we went for the 'Reserve Pathfinder' (11th place) which was your goodself. Scoring for race one is correct.

FYI - The boat that refused to be Pathfinder will be reported to the Class Association for 'non compliance'. Realistically no action can be taken, but for future events a scoring penalty could be added in SI's for 'non compliance' if the class didn't like the action. Nice job by the way as Pathfinder!

Cheers
