Scoring Inquiry:

In race 12, I was scored 11th, with no explanation of why. I am sure I did not time out, as I finished the race in ~4th with multiple other boats behind me. I do not know the boats in front or behind me, because I do not expect to be scored 11 for no reason. It is not possible I was UFD in this race, as I was ~5 seconds late to the start behind half the fleet. I would like to know why I have been disqualified from this race, and for whatever reason I most likely disagree.

Response:

Boat #10 was DNF on race #12. Further steps need to be taken with a protest. Attached is proof of RCs call.
