### Scoring Inquiry:

Hi. Thanks for running a great weekend in very difficult conditions. I'm down as DNC for race 4 in the ILCA 7. I finished at the pin end probably about 3 or 4 boats behind Nick Harrison (who also finished at the pin). I think I was just behind 214415 (making me 28th). Its not a massive issue, as I was tweaking the boat and doing set-up, but in the event I was recorded and it's a transposition error, it would be nice to have the correct result. thank you.

### Witnesses:

Nick probably knows I was a bit behind him and finished at the pin in that one, because he sailed really wide round the final gybe and went low after that, overtaking me in the process.
