Scoring Inquiry:

I was very far back on this start and was around 3 seconds late to the start. I started at the committee boat end and did not have much of a gap so I started 2nd row and tacked out as soon as I had space. I know this is not valid evidence but I was around 2 boat lengths back from my transit at the pin end of the start line when they sounded the signal. I don't understand how I could have been over.

In this race I rounded the top mark in around 6th and gained the boat back through the race and was leading by the second top mark. Pablo Astiazaran Spain managed to pass me on the last downwind. I crossed the finish line in 2nd behind Pablo.

Mathis Johnson FRA started above me and is willing to witness this.

I have a picture of the line when the signal went off.

I hope you can fix this.

Witnesses:

Mathis Johnson FRA
