Scoring Inquiry:

I started this race. Had a breakage mid race. I believe I finished as i crossed through the gate one lap without getting assistance. Only after the first boat finished the race did a safety boat come to tow me home. If I'm misunderstanding what counts as a lap then I believe this score should be at least a DNF instead of not a finish.

Response:

Corrected Score: 61

Reviewed lapping and 1 lap completed
