Scoring Inquiry:

On the results I am still indicated as a 6.9 while scoring in the 7.5 races. I am in 7.5 and have been in the 7.5 fleet for the event. I just need the spreadsheet updated, my fleet was corrected before the start of the regatta but the results posted have the wrong sail size in the spreadsheet. Can this please be ammended. Thank you so much for the help !!

Response:

Will be updated when the results are next updated
