Request No.: 08

Course:

Race No.: 4

Posted Score:

Competitor: ORC - B - ESP 10206 - BAMAK - João Mata

Scoring Inquiry:

On the last leg of race 4 the true wind direction considered by the committee was 180°. This can't be correct since every boat did the leg on same tack. No jibing, not even asymmetrical spinnaker boats

Response:

Your position in results is correct.
