**Inquiry No:** 02

**Course:**

**Race No:** 1

**Posted Score:** Dnc

**Protest Party:** Moth - FRA 3231 - Callum Wyper

**Scoring Inquiry:**

In the first race of the day the racing results claim that i did not compete however i am shocked with this. After completing my first lap i looked at the commity boat and there wasn't a blue flag raised bjt a black and white flag wad so i assumed that i was to do a second lap. I was around the middle of the fleet at that time and the people behind me also went back upwind after rounding the left mark. I later understood that the blue flag had been replaced by a black and white chequered flag which wasn't posted anywhere to my knowledge. I am therefore asking to get a redress to be at least before the people who only completed one lap.

**Witnesses:**

I cannot recall who was around me but i assume a few other boats with dnc's will also be frustrated with this incident

**Response Title:**

Corrected Score: 38

We are sorry about your shocking. You are 100 boats, we are just few people, a mistake is human. Sorry about.

We listed again the registrations of the laps and we found you and you are now in the results.

You are now 38th.

Again, we are sorry
