### Scoring Inquiry:

The score from this race has been changed from about 24 to NSC, which to my knowledge means that i didnt correctly sail around the marks, or didnt finish in time. None of this happened, i didnt finish last, sailed the course correctly and finished around 24th. I am not sure about the boats around me, i wasnt looking at the numbers on their sails, but i am pretty sure that sail no. 182616 finished a few places in front of me.

### Witnesses:

I dont remember any sail numbers, but my coach recorded most of the marks when i was sailing around them.

---

### Response:

The course was not sailed correctly, because Mark 1a has not been rounded after the 1st leg.
