Scoring Inquiry:

Still think the time is wrong, by our watches we had a 1 hour 9 minute ish race. Maybe you have the warning time, not rbe start time?

Response:

Corrected Score: No change

The start time has been checked by the RO and finish times tally with both recorders.

Elapsed time is correct at 1.16.34.

****CORRECTION**** Further investigation on the committee boat has revealed an error in the start times noted for IRC1 & IRC2. Both six minutes later. No change in score for Elaine Again
