### Scoring Inquiry:

The results say we were second and the winning boat Jamara finished one second ahead over the water. We were clear ahead of the fleet by maybe 500m at the finish

### Witnesses:

The Crew !

### Response:

Corrected Score: 2

Time given to Jumara seems to have been for a different boat - hard to read writing. Juju finish time 11.46.45. Second to Thinking Space on handicap.
