Scoring Inquiry:

I was scored BFD in race 1 from near the pin. Upon watching the video, you cannot see the committee because of a large group over in the middle. The starting signal is heard with a delay at the pin (distance) .. I accelerated better than the boats around me and I believe I was called out because my sail number is clearly visible from the moment that I believe is AFTER (not before) the start .. and believe I was below my transit as well... as you cannot see the committee from the pin and you definitely cannot see us from the committee..

Response:

See Case 03.
