Course: DBSC

Race No.: Race 20

Posted Score: DNC

Competitor: Cruisers 0 - Blue Fleet - IRL Irl3721 - ValenTina - john treanor

Scoring Inquiry:

As only one boat raced no scores should be applied

Response:

Corrected Score: Race Abandoned

John,

That is correct. However as all cruiser results come in as a single finish sheet, the results program can't automatically identify classes that shouldn't be scored under SI 14.2. These are picked up by manual review, and results will be adjusted accordingly
