Course: ILCA 4

Race No.: 1. First race Saturday.

Posted Score: DNC

Competitor: ILCA 4 - Junior - 1211260 - N/A - Henrietta Leech

Scoring Inquiry:

Henrietta did compete in this race. She didn't count, but was "mid fleet". We didn't pursue on Sunday, as there had been other mix ups with results and presumed it had been corrected. It hasn't as of today. We believe her omission from the race finishers may be due to the various errors in the recording of her entry in the first place. Firstly, she was excluded from the importing of files from the registered entrant list on the ILCA event website (ie. She was on the registered entrant list on the ILCA event site, but not on the first results posted on the ONB). I advised Ruth McSweeney of this. Henrietta was, (presumably due to the omission) asked to fill in a late entry form at registration, which she did. In the afternoon she appeared on the list (the one where all bar 2 competitors were down as DNC!). However she was given a different surname 'Lynch'. I again texted ruth to correct this error. We believe this is why she was incorrectly scored/ omitted from the race.

Henrietta was vomiting during her hours on the water and not well enough to race Sunday, so I'm matters a great deal that her position is registered. Could she be put either mid fleet or an average of her other scores, if you cannot find her on the actual recorded results on the committee boat please?

Witnesses:

No incident. Recording error.
