**Course:**

**Race No.:** 6

**Posted Score:** DNC

**Competitor:** Beginners - MLT 8 - Mattias Abela

### Scoring Inquiry:

All Optimist Novice sailors are scored as DNC for Race 6. This is a mistake. Race 6 is the first race that was held on Saturday, as 3 races were held on Thursday, and 2 races were held on Friday

### Witnesses:

All Sailors and Coaches

---

### Response:

It was not all had a DNC it was someone had a DNE as per Jury for Race 6 but this is shown as R7 because the sheet from the Water is R7 and the results are intermixed with R7 of the Silver - DNE moved to R7
