Description: I definitely finished and the finishing boat probably did not see me finish since I was blocked by a boat nearer to the finishing boat. ~~But~~ I definitely went through the line and finished 4th, SGP 224620 and SGP 228697 both also said I finished.

Witnesses: SGP 224620, Nicholette

~~and~~ SGP 228697, Desiree
