Scoring Inquiry

Race Date: 2026-04-04

Received: 2026-04-04 17:31 CEST

Request No.: 51

Course:

Race No.: F3

Posted Score: BFD

Competitor: 1760 - Michał Ślusarski

Scoring Inquiry:

I was scored BFD but I competed and finished this race after it was restarted, because the previous race with black flag was postponed before start signal which means that there are no grounds for BFD (RRS 30.4)

Response:

No starts were postponed or abandoned before the starting signal.

No ground to correct.
