Race No.: 2

Posted Score: UFD42

Competitor: A-Class Open - open - GER38 - Thorsten Lorenz

Scoring Inquiry:

Hello raceoffice,

I'm pretty sure I started not early, because ITA72 with his remarkable Challenger sail was in front of me and crossed in front of me to foil upwind directly at the start.

at the end, I finished place 21. The sailor before me was Klaus Raab GER5

and after me Joern Knop GER75 followed by Manfred Syrowy GER40. I kindly ask to handle this request and correct the result.

Witnesses:

Jörn Knop GER 75 reached also out to me after the race and approved, that I was behind ITA 72. He would be available to approve it.

Response:

For a UFD you should have submitted a hearing request with yesterday's time limit. Not a scoring inquiry.

We confirm your scoring as UFD for the second race.
