Scoring Inquiry:

Hi,

I've been wrote DNE meanwhile I finished 3rd.

I got 1 yellow flag on the last downwind of the 1st race of the day but Someone told me I've take an another yellow flag without knowing i took it.

At the end of the race I went to the jury to know if I've got 2 yellow or 1 and the jury reply "only 1, It was for ITA 219260 and not for you "

I'm asking if you can change the results

Thank you
