**Scoring Inquiry:**

In race 4 i did compete but I was given a DNC which is not right I finished next to ITA 8995 and ITA 8083. They finished in place 59 and 60 I was next to them and I think the finish boat did not see me because of all the boats from the red fleet and the green fleet finishing together so it was 1 big mix with all boats together I would like to see a difference in my score thank you for your time to read this and I hope it Will be fixed

**Witnesses:**

ITA 8995 ITA 8083

**Response Title:**

Unfortunately, you arrived more than 20 minutes after the first boat of the red fleet. This is why you are scored as DNC. (See SI point 10)
