**Scoring Inquiry:**

Hello Judges,I would like to file a score adjustment consideration.Dan told me that 2 or 3rd races the is a question of me not crossing the finish line. Every time I crossed and passed boat on the port side from me, by doing that I crossed the finish line.I have two athletes who were following me in each race , Tayne and Alexis that can witness my finish.Why would I bail the race right before the finish line knowing that I am in clear?Thank you for your consideration,Dmitri Sokolov
