Scoring Inquiry:

Hello, I would like to inquire as to my score of OCS in the race of July 30th. I confirm that I was over early initially, passing ahead of two other boats, on port, across the line at the pin end. However, I then changed course to head leeward and crossed back to the starting area at about mid-line, waited to see the individual recall signal lowered, and then headed back up to start correctly. Could you please check if this was any kind of recording error or if I misunderstood the signalling? Thank you very much! Best regards, Jesse
