Scoring Inquiry:

We finished the race in 1st Position, in front of FRA529 and ITA 98. At the start we strongly believe to have been behind the line for 2 reasons:

- 1.) At 0 seconds we were still behind our transit, looking over the pin-end boat to the start.
- 2.) We didn't even have a good start, since we got rolled shortly after the start by FRA529, who in our opinion started more in front than us.

Given the following aspects, we kindly ask you to look again into this start.

Thank you, AUT 97
