Scoring Inquiry:

We finished 1st in front of FRA 529 and ITA 98.

At the start we strongly believe to have been behind the line for the following 2 reasons:

-1.) According to our transit mark we were behind the line at the starting signal.

-2.) Being the 4th boat away from the pin-end we didn't even have a good start, with the leeward boats extending to the front (SWE and DEN) and FRA 529 rolling us shortly after the start, we were even quite sure to have been further than 2m behind the line at the starting signal.

Given these arguments, we kindly ask you to look again into the start and review the scoring.

Thank you, AUT 97
