Scoring Inquiry:

I was the last to arrive on the beach and had to mount a protest. the time to put away all the equipment and change quickly to go to the protest the office to return the track was closed and I was given a penalty. could you reconsider my penalty please?

Response Title:

the hearing room is next to the tracking office. there was reasonable time to return the tracker between the end of the race and 1840, when the penalty was applied.
