The division of the group was divided the wrong result of the gold and silver group.
I got into a bad group.

After four races the result list:

53 place 41,31,27,10 total of 68 points

54 place 28,36,21,21 total of 70 points

there is another result in the fifth day results list

53 place 41,31, 27, 10 total 68

63 place 28,36,21,18 total 67

why did not i get into the gold group?

Response Title:
