**Scoring Inquiry:**

I was scored 1, then in the revised result list scored 2 after USA111

USA111 was scored BFD by RC on the scoreboard on the RC boat and on the ONB

USA was 3 boats to leeward of me and short of distance to pinnend he decided to go early instead of stopping and drifting below the pinend boat and become rolled by me and other sailors.

Certainly to me he was clear OCS the last 5 seconds before start. I thought all the time during the race that he was BFD and didn't fight him just protected the boats behind me. There can be NO VALID Video to prod the error of the RC as no coach boats ere allowed in the extension of the line and surely any other video from behind is not useful to support USA 111 innocent of OCS because of the angles!
