Scoring Inquiry:

I am sailing White Sail for this series, I announce at the aft of committee boat each race and I am flying a White sail. My White Sail Handicap is 1.117 per SLVYRA. Spinnaker is 1.145. Currently the results are reflecting Spinnaker handicap and not the White sail, as it should. Impact is that I should be 5th not 6th. Could you please correct?

Witnesses:

My Crew. Let me know if you need names.

Response Title:

Hi Jim: First race for BYC RC, so the competitors sailing white sail weren't quite clear on the scratch sheet. RC has said they will better indicate this info for future races. I've changed your rating, rescored & republished the results. -Wendy
