**Scoring Inquiry:**

Didn't feel this boat was OCS because individual flag was dropped. After one child came back. Coach was at the pin end and irl1625 did gybe down on the line. Really don't think this kid was over.

**Witnesses:**

Witness IRL1657.

**Response Title:**

Checked with RO - X was dropped due to preparatory signal for Senior Fleet being displayed rather than a clear return. No change to scoring.
