Scoring Inquiry:

Hello,

There seems to be an error in the time calculated for the RSLYC boat Still Crazy III, sail number 229, in the second race of the regatta on Saturday 2 July. Indeed, during this race, the boat came 3rd on the water only a few seconds behind the second place (in this case D'ad lib) and ahead of Andiamo. According to this logic, the time sheet should indicate that Still Crazy III finished around 13:39 and the total time should be around 1:04:46.

Furthermore, the time marked indicates that the boat would have crossed the finish line more than 51 minutes after the 6th position. This would have resulted in a disqualification and DNF entry on the result sheet as stipulated in article 11.4 and 11.5 of the GNS INTERCLUB sailing series instructions.

Would it be possible to make the corrections?

Thanks
