**Inquiry No:** 05

**Course:** Course A

**Race No:** 2

**Posted Score:** DNF

**Protest Party:** OpenSkiff - GR2 Blue Fleet - 11017 - Meta Ehrmann

**Scoring Inquiry:**

The given score DNF does not match the real result. Meta Ehrmann, GER 11017, finished the second race in the blue fleet between position 30 and 35. She was counted by spectators with binoculars at position 30 when rounding the last course mark before the final down wind leg. At that stage Joris Freese, GER 11104, was in front of her at position 29, he scored DNF, too. Please check by the race committee if you missed counting some boats when crossing the finish line. Do you have videos? There seems to be a gap. Thank you.

**Witnesses:**

Joris Freese, GER 11084 Till Kubelke, father of Jonas Kubelke, GER 11104
