Scoring Inquiry:

Hello Mr, Race officer despite on entry stating that 14232 would be sailing under the sail number 13389. I have two DNCs under that sail number 14232. Id like to request to change my sail number to 13389. This is complicated by the fact that the main I used today says 1338 as the nine has fallen off. Tomorrow i plan to use a differnt main with the full sail number on it.

Sorry for the confusion.

Thanks very much.

Lewis
