Course: Portland Harbour

Race No: 5

Posted Score: Not ours

Protest Party: RS500 - NED 994 - Johan Van Veen

Scoring Inquiry:

Boat GER 1694 is listed as 11th place. We finished 13th that race and are certain they were not in front of us. We believe they only did two laps instead of 3. The first finishers lapped them whilst they were capsized.

Witnesses:

NED 518

Response Title:

Scoring has been corrected.
