Scoring Inquiry:

Dear Sirs and Madams,

unfortunately, we do have as well an issue with race no. 5 (2nd race of yesterday).

We were starting, racing and might haven't finished correctly, but we do not know.

Now the crews from The Netherlands were wondering why we were scored 11.

Thats why it is likely that we sailed just two instead of three rounds.

We do not want to disadvantage someone.

Best regards

Joscha
