**Scoring Inquiry:**

I finished the race in around 8th 9th 10th or 11th. It was scored as a dnc. I submitted a scoring inquiry before the results of the fifth race about the dncs in the third and fourth race but the fifth race was also scored incorrectly.

There were 2 duplicate sail numbers by the last 4 digits in Red flight, so I have scored you as the first 4521 according to your account of your finishes. JW
