Scoring Inquiry:

In the first race we were scored a 26th in the regatta. The last reach was filmed from the finish line boat and it is clearly stated by the camera men that the footage is in line with the finish line. According to the footage It is clear that our boat POR31348 finished ahead of BRA31343, who were scored a 25th. The pictures attached also show clearly that POR31348 finishes ahead. We require that the positions are changed.
