Scoring Inquiry:

Dear Race Committee,

today (01.10.2022) we participated and finished in Race 4 with GER 7030 Einstein.

The result lists shows our boat as "Did not compete". We assume this is due to our broken mainsail, so our sailnumber was not visible while passing the finish line. As we were aware of this potential problem, we contacted race committee on race channel VHF 72 twice to transmit our sail number while passing the finish line.

To make it easier to identify our boat while passing the finish line, it was at 14:26 in close vicinity to FRA 37279 Flora. We took a picture while passing the finish line, please refer to attached picture.

Looking forward to hearing from your, best regards
Rainer Badent
