**Scoring Inquiry:**

One last message..unfortunately, my son's 6th run was definitely incorrectly rated, and several ratings must be wrong..my son has improved more and more in the Gold Fleet from Race 5-7, that's why this result is not correct !! !! actually right in front of him was HUN2009 and 6 places in front of him EST 350!! my son was about 50th place..however, HUN 2009 is also rated completely wrong..there are no video analyzes or other recordings..more than 40 places wrongly rated is more than unsportsmanlike for good performances..I hope for correction

**Witnesses:**

George Blaschkewitz EST 350
