Scoring Inquiry:

I was sailing with no numbers last Sunday (6/11/22) and had a good result in Race 2. I think I was 2nd or 3rd boat (4.7) across the line. I was the only boat with no numbers. I did inform the committee boat after Race 1 of my actual number.

I was credited with a 6th place which is not correct.

My actual number (which I am registered with) is 191325.

Witnesses:
