Scoring Inquiry:

In the last race(third race of the day) i crossed the finish line in 5th place, leaving the finishing mark left from my boat sailing reaching on port side toward the finish. I saw some boats leaving the mark on their right side also reaching on port and jibing to cross the finish. So I didn't understand if I was correct or not. When I ve seen that they are doing that I came back from the previous finishing and I ve done like they did and I finished three places worse in 8 place. So I kindly ask to review my request and get the origina 5th place back.
