Scoring Inquiry:

I was scored as ufd but I am positive that I started properly (more like a disaster start).I would be grateful to check it again in all possible ways (videos). I was trying to stay in line as everyone did but later on when some participants started earlier I was really in a bad position. Probably my number was memorised cause I was there for almost one minute .

Response Title:

Tha race committee after reviewing her records scored the boat correctly as UFD.
