**Inquiry No:** 05

**Course:** Optimist

**Race No:** 9

**Posted Score:** .BFD

**Protest Party:** Optimist - Gold - 22448

**Scoring Inquiry:**

In the last race, I was starting 15th from the committee. The race committee boat was drifting, therefore, me and the boats around me were over. At the time I did not know this so when I saw my number on the board, I sailed in thinking that I was over and that this race was going to be the last race. (There is a maximum of three races per day and this was the third race of today.)
