Scoring Inquiry:

I did not hear any of the signals until the 1 minute gun, at which time I was sailing downwind toward the committee boat. At the start I was about 45 seconds from the correct side of the line, I continued downwind until I was on the correct side of the line and then went a couple extra boat lengths and turned up on starboard tack and started fairly near the committee boat, a little behind and to windward of a blue boat that was also late.

I am sure I did not turn up until I was safely clear so I request my finish position be reinstated.

Thanks

Chris Boome

Response Title:

In race 4 rule 30.3 U flag was displayed. 191567 was in the triangle formed by the ends of the starting line and the first mark during the last minute before your starting signal. You were scored UFD.
