**Inquiry No:** 03

**Course:** 3 golfi

**Race No:** 1

**Posted Score:** 20 overall

**Protest Party:** ORC - Orc B - ITA ITA 14340 - ANEMOS - CARLO SCOPPOLA

**Scoring Inquiry:**

On the sailing instruction, point 16.1 says that the scoring system would be calculated on "Time on Distance". The results instead are based on PCS all purpose that on ORC website and rules is not a "Time on distance" scoring. Isn't this something against Sailing Instructions?

Thank you
