Scoring Inquiry:

Dear Comity, After finishing the race in 4th just after Sui 211591 (3rd), but who was UFD, therefore meaning I came 3rd, I was listed as DNF. Both Sui 211591 and I crossed the line at the same time. GBR 221490 crossed the line just after. Dear comity, would you kindly review the footage to make sure as a certainty that I came 3rd? Thank you In advanced. Kind regards, Lucas
