

2023 GNS Séries I Scoring Inquiry

Inquiry On: 2023-06-08

Inquiry No: 12

Course:

Race No: S2R3

Posted Score: 9

Protest Party: PHRF III - II - 1056 - Escape - Ian Swain

Scoring Inquiry:

1. It looks like Siberian (sail #1477) is accidentally using the white sail handicap for their boat instead of the spinnaker handicap
2. I was also under the impression all Tanzer 22 and Sharks had the same spinnaker handicap of .939. It seems that there are 3 different handicaps for these boats (although the point 1 above addresses one of them).

Witnesses:

Just me. I am actually writing through here to test out the process :-) Thank you for running the GNS. It is greatly appreciated by all the sailors!

Response Title:

Thank you for the information for sail #1477, I have corrected the rating and republished the results. Regarding the handicap for Tanzer 22 & Sharks, each boat has a specific handicap on the SLVYRA rated yachts list, a modification to the boat or sails could mean that specific boat has a non-standard handicap on this list.
