### Scoring Inquiry:

In 3rd race of the regatta I scored 13points but was protested and later after arbitration my score went up 33% so I had 17 points yesterday after all the protests but today my score is still saying that I have 17 points but the total score is 3points higher than it should be counting all races individually and lower of the scoring sheet it's written that my penalty was 17 -> 20 so it looks like I was penalised 2times instead of one.
